

## Series K

### Fenner® Series K Bevel Helical Gearbox

The Series K range incorporates all Fenner®'s core design features in a highly efficient yet flexible bevel helical drive. With high load carrying capabilities and increased efficiency over worm units, the right angled Series K range is proven to save energy and running costs.

#### Benefits

- > Ratios from 8:1 to 36,000:1 up to 50,000Nm
- > Highly efficient gearing, saving energy and running costs
- > Dimensionally interchangeable with other manufacturers
- > Innovative motor adaptor uses standard IEC interface
- > Oil tight gearhead enables motor removal without oil spillage
- > Foot flange or shaft mounting
- > ATEX certification available
- > Built to order

#### Size Reference

Ratios from 8:1 to 36,000:1 up to 50,000Nm  
Up to 160kW  
11 sizes in range  
Shaft size range from 30mm to 155mm

#### Construction
